## JUNE AND JULY REPORT

The Placement Cell commenced the academic session 2025-26 with the induction of its new Core Team. Arjun Nayar has been appointed as the President of The Placement Cell, Arushree Ravi as Vice President, Rida Jain as Secretary, Suyash Chandna as Joint Secretary, and Shubh Mahajan as Treasurer. Additionally, Arjav Jain and Subhmay Patra have joined the team as Senior Advisors to provide strategic guidance and mentorship.

The Cell also had the instatement of faculty members Dr. Megha Agarwal as Convener and Dr. Shubham Jaiswal as Co-Convener. Alongside them, Ms. Megha Mandal continues to serve as Co-Convener for the Cell. Their guidance plays an instrumental role in shaping the Cell's strategic initiatives and strengthening corporate relations.

To enhance coordination and streamline operations, the Cell introduced several departments focused on Sponsorships, Promotions, and Student Awareness. These departments now work in close collaboration with the existing Corporate Outreach, Social Media, Content, Graphic, and Web Development teams to boost both internal efficiency and external engagement.

During June and July, The Placement Cell facilitated internship drives from over 25 companies and organized placement drives with more than 10 companies across diverse domains, including marketing, technology, finance, content, and operations. Notably, the Ministry of Home Affairs and Commerce Chamber of India (CCI) were among the key organizations offering internship roles. In addition, Accenture, a leading global IT firm, conducted a successful virtual placement drive, offering students valuable exposure to industry standards and expectations.

With a renewed strategic direction, expanded structure, and consistent execution, The Placement Cell remains committed by bridging the gap between campus and corporate, while striving to ensure meaningful opportunities for the students.
